Re: Reclamation Contract
Keigley Quarry, M/049/001

Dear Wayne:

Pursuant to your note of September 18, 1991, we have completed the enclosed Reclamation Contract for Geneva Steel's Keigley Quarry operation. The contract, intended to effect a substitution of surety, has been executed by Geneva and by the surety company and should be ready for execution by the Division.

I understand that the Keigley Quarry Reclamation Contract will be considered at the Board meeting on October 24, 1991. In the meantime, please let me know if anything further is needed in connection with this matter.

Very truly yours,

Clayton J. Parr
